WHAT IS THE DROVER REVIEW?

The Drover Review is an online journal of essayistic and scholarly writing at USAO. Published annually, the journal showcases and circulates outstanding writing and scholarship by current USAO students. Some faculty even use these student essays in their classes!

WHAT DO WE PUBLISH?

The journal will publishes a range of writing — argumentative, analytic, narrative, evaluative, scholarly, academic — derived from USAO coursework. This includes work from Writing I and II, as well as a cross-disciplinary range of upper-level courses.

WHY SUBMIT?

The Drover Review offers a unique opportunity to share your ideas and research with the USAO community.

Also, publication experience looks great on a résumé!
